Dear Area Business & Community Supporters:

The past year has been difficult for everyone as we navigate slowly returning to states of normalcy within the safety requirements of the COVID-19 pandemic. More than ever, one-to-one youth mentoring plays a significant role in maintaining balance and providing support to our youth as they continue to recover from the stress their lives have endured. BBBS works to build and support one-to-one mentoring relationships that ignite the power and promise of youth. Join us in helping defend the potential of the children in your community.

Big Brothers Big Sisters of South Central Wisconsin is preparing to hold our annual fundraiser, Casino Nite on April 30, 2022 at the Watertown Elks Lodge in Watertown. We are looking forward to another great year and everyone to have a good time.

Big Brothers Big Sisters is the Nation's oldest, youth mentoring program focusing on establishing a one-on-one relationship between a child in need and a caring individual or couple. We assist children in reaching their full potential as they grow. The Mentor helps the youth learn appropriate decision-making and positive behaviors, leading to a positive and productive life for the youth.

Please take a look at the enclosed information to learn more about Casino Nite and consider supporting Big Brothers Big Sisters. It is a relaxed and fun evening that supports your community's children.

We hope you will join in supporting Casino Nite 2022. To be a supporter you can sponsor:

- The event
- A gambling table
- The food

You can also support Casino Nite by:

- Attending the event
- Donating an item for auction
- Making a cash donation

We look forward to partnering with you during our 2022 Casino Nite Fundraiser!
Thank you for your consideration.

Sincerely,

Sadie Sauter
